## HUDA COVID-19 Update

The HUDA Clinic will only be offering primary care services to the uninsured and underinsured BY APPOINTMENT ONLY! Appointments are available on Thursday's and Saturday's, please call prior with your request. Medication refill requests will be responded to Tuesday, Wednesday, Thursday, and Saturday mornings, please make sure to contact us 5-10 days prior to your last pill!

For new patients, please call or email us with your healthcare needs, and someone will get in contact with you during regular operating hours with intake paperwork.

We are taking all necessary precautions and safety to protect our patients, staff and volunteers.

Changes Occurred;

- NO WALK-INS, patients must call the office during regular operating hours to inquire about requests for care. Our medical staff will screen all requests for care.
- We are now accepting new patient requests! Please contact us if you are uninsured/underinsured with your healthcare needs.
- HUDA is offering delivery services to our patients, please let us know if you would like your medications delivered to your home.
- Telemedicine appointments are now available to established patients.
- Non urgent care and specialty services (dental/vision/etc.) will be rescheduled for future dates to be determined.
- All volunteer schedules are cancelled until further notice.

We are receiving and monitoring updates from the [Centers for Disease Control \(CDC\)](https://www.cdc.gov/) as well as local and federal health officials as they are made available and will make any prudent adjustments accordingly.

We would like to assure you that our leadership team is committed to your personal safety, and we will continue to ensure we support our patients and staff during this time.

We will provide updates as our policies change throughout this time. For any questions or concerns, feel free to email [frontdesk@hudaclinic.org](mailto:frontdesk@hudaclinic.org), or call our office during our regular clinic hours. Stay safe and stay home!

Kind Regards,  
HUDA Clinic
